

Calibration Reticle Rental Agreement Terms and Conditions

This is a legal agreement between you (either an Individual or Corporation), the end user ("Lessee") and PG Inspection Technologies, LLC ("PG Inspection Technologies").

1. **Inspection.** Lessee agrees that upon receipt of the calibration reticle he/she will immediately inspect the calibration reticle for damage and immediately report any damage to PG Inspection Technologies at (262) 946-5420 or pg@pg1000.com.
2. **Hold harmless agreement.** Lessee agrees to assume all risk relating to the quality of the calibration and performance of the software after calibration. In no event will PG Inspection Technologies be liable for direct, indirect, incidental or consequential damage resulting from improper PG1000 calibration.
3. **Damage.** Lessee agrees to pay for all damage to or loss of calibration reticle while in lessee's position or during shipping "To" or "From" Lessee's location. Damages include cracked reticle glass or damaged mounting block.
4. **Shipping.** Lessee agrees to repack reticle in its original shipping containers and return it to PG Inspection Technologies prepaid and insured for the full purchase value (\$4,895 for linear p/n 1000-645-1 reticle and \$2,595 for standard p/n 1000-443 reticle).
5. **Reticle certification:** Lessee will be supplied with a copy of the reticle certification for his/her records. PG1000 REACTION software will generate a calibration log, found under "View Menu" for Lessee records.
6. **Freight terms:** FOB Waukesha, WI – Lessee is responsible for all freight costs including shipping the reticle to the Lessee and shipping the reticle back to PG Inspection Technologies.
7. **Shipping charges:** Lessee will be responsible for all shipping charges. PG Inspection Technologies can ship UPS collect or can bill the Lessee for any applicable shipping charges.
8. **Rental rates:** For purposes of the fee calculation, the day after the reticle is received will be day 1 and we will count all days, weekdays and weekend days, up until the day that the reticle is delivered back to PG Inspection Technologies.
 - a **Standard reticle p/n 1000-443: \$300.00 for up to 14 days (\$40/day after 14 days)**
 - b **Linear Reticle p/n 1000-645-1: \$400.00 for up to 14 days (\$50/day after 14 days)**
9. **Remote calibration assistance:** The rental rates above do not include PG Inspection Technologies time to assist the user in calibrating the equipment. If the Lessee is unfamiliar with the calibration process, **PG Inspection Technologies offers remote calibration assistance via Team Viewer for a flat rate of \$600.00** which includes the calibration reticle rental fee. The time required to calibrate each PG is around 1-3 hours. Upon request, we can also assist with software updates and the datafile transfer if the PG1000's hardware meets our minimum requirements.

Upon receipt of signed contract and purchase order or credit card number, the calibration reticle will be sent to the lessee fully insured via UPS. After return of the reticle, PG Inspection Technologies will calculate usage and invoice or charge Lessee's credit card at rates noted above.

I the undersigned Lessee, acknowledge that I have read and agree to all of the terms and provisions of the above contract.
